

dome living in brenham

PET POLICY

All dogs living at The Inn Place must wear a collar with a tag indicating a current rabies vaccination.

When not in a dome, dogs must be on a leash at all times. The only exception is if the owner is accompanying the dog while *walking* on the drain field. Except in the drain field area, all fecal matter must be bagged and placed into the dumpster.

There is to be no animal waste in the vicinity of the domes. We will try this method of not cleaning up fecal matter on the drain field and see if it works. If there is too much we will have to re-think.

When outside, dogs may not be tied to a stake or a rope.

Used cat litter must be bagged and placed in the dumpster.

Failure to declare a pet will incur a fee of \$10 per week retroactively, *starting from the week of move-in*, whether a pet was owned at that time or not.

All dogs and cats must have proof of being current on the following vaccinations:

DOGS:

Rabies
Distemper-parvovirus booster
Canine influenza
Bordetella

CATS:

Rabies
Feline distemper booster
Feline leukemia

We will require a pet damage deposit of \$100 which is refundable, if no damage has occurred.

Only dogs that weigh 20 pounds or less may live at The Inn Place, *(see # 10 of the Rules & Regulations)*.

Inn Place residents may keep only one (1) pet in their dome, *(see #10 of the Rules & Regulations)*.
